RE: Fuel Oil, Propane, and Diesel Fuel Bid results

Tuesday, June 17, 2014

Dear Mr. Feneberg,

Executive Summary

Fuel oil and propane oil bids were received this morning at 10:00 AM. The lowest qualifying bids were received from \$3.2133 per gallon for fuel oil, \$1.72 per gallon for propane, and \$3.3612 per gallon for diesel.

Background

Each year, the District solicits bids from firms to provide #2 fuel oil, propane, and diesel fuel. We also include the Town of Windham in the bid to allow them to benefit from our bulk pricing. Bids are due the day of the School Board meeting to allow vendors to submit the lowest price possible. For this reason, the pricing information included in this memo will be updated on the day of the school board meeting and re-submitted to the Board.
