Network Security Group, Inc. gladly accepts all major credit cards and Purchase Orders with Net-30 day terms. Credit card purchases over \$5,000 will incur a 2.5% fee. We will accept ACH payments without a fee. Financing is available on any purchase over \$5,000 with your choice of monthly or annual payments. A simple one page application is all that is needed to get started and approvals are made within 48 business hours. To determine what the payments would look like for this purchase, please go to: www.netsecgrp.com/financing. Please contact your NSG representative for information on how to proceed with an order.

Thank You For Your Business!
